

PRODUCT PROFILE

UNI BK 87

Economical fast One-Step rollers & blankets wash

UNI BK 87 gives a deep-cleaning wash up to rollers and blankets. It prolongs roller and blanket life while maintaining them in a lively and revitalized condition.

It also has a medium drying speed and high ink solubility to give a deep-clean wash up without damage to rubber blankets and rollers.

ADVANTAGES

- No chlorinated solvent
- Mild odour
- High flash point
- Non-photochemically reactive

DIRECTIONS

ROLLERS:

Use as an effective everyday wash. Apply straight using a saturated cloth or wash bottle.

BLANKETS:

Use regularly as necessary.
