

# PRODUCT PROFILE

## UNI FOUNT SM 561 SW-2

### One-Step Fountain Concentrate for Small Web and Business Form

Uni Fount SM 561 SW-2 is a one-step fountain concentrate for web business form presses. It is specially designed for the Duotrol and Dahlgren dampening systems. The product reduces the amount of feedback onto water-slips and recirculation systems. Uni Fount SM 561 SW-2 has excellent lubrication qualities, therefore longer runs between wash-up cycles and significant reduction in blanket piling.

#### FEATURES & BENEFITS

- Concentrated one-step fountain solution
- Especially designed for web business form presses, Duotrol and Dahlgren systems
- Lubricants reduces blanket piling on problematic stock
- Alcohol-free product
- pH between 4.3 to 4.5

#### DIRECTIONS

Normal operating dosage should be between 5 to 5.5 ounces per gallon of water (128 oz).
